Setting the Stage-June 2022 Show Season in NNY!

It's June and now the fun starts! Cruise-Ins, Shows, etc!

St. Regis Volunteer Fire Department is located in St. Regis Falls, NY. We've never been able to attend that show but hopefully this will be the year! If you go, we'd love to hear from you to see how it went. Their show will be held on Saturday June 11th, 2022 Rain or Shine! More info on this show is on page 8 (the calendar section).

Then on Saturday June 18th, 2022 AMVETS Post 282 will hold their Annual Car, Truck and Bike Show! We've attended this show in the past and it's always been a treat! This edition will highlight some of their previous shows so you can get an idea of what it is! More info on this show is also on page 8 (the calendar section).

PRESENTS:

AMVETS Post 282!

Finally the north country car - truck - bike shows are getting under way! Welcome back as we take a look at a previous show that was a success and just a short distance away: The AMVETS Post 282 Annual show!

Located just off the side of Rt11 about halfway between the Towns of Canton and Potsdam, you'll find AMVETS Post 282. Last year's show had fantastic weather and a good turn out! The show grounds saw all available parking taken and quite a few vehicles that were new to us.

Volunteers were at the ready for auto arrivals, registration, 50/50, refreshments and more!

Speaking of refreshments, normally food isn't the top priority when attending shows but there was a portable pizza oven on site. Although it was portable it was still sizable, and the pizzas were excellent! Whoever was running that operation had it right down to a science - bravo! (Look at that pizza oven - Don't you just want a pizza out of there right now???)

AMVETS Post 282 set a nice tone for the show by playing music from yesteryear!

A real nice mix of vehicles were on the scene. Representation from the 20's and right on up through (and even beyond) the muscle car era were on full display. Eye candy all over the place!

Everyone had a good day and I believe the folks that were treated to a ride in the white Rambler American (center photo page 5) had a memorable experience as they barreled down the road!

We enjoyed our time last year at AMVETS and are thankful for organizations like these that do so much for our local communities. A big thank you to Post 282 and we look forward to this year's show to be held on Saturday June 18th from 10am-3pm (see calendar on page 8 for additional details).

Be sure to follow CrazyJerry on facebook for updates with this newsletter series and post-event photos!

The grace of a Galaxy 500 in close proximity of track racers!

How about a hot rod and how good does that look zipping down the road! Very Cool Indeed!

Like a hot truck? AMVETS Post 282 had them at their show too!

At the end of the day, the owner rode off into the sunset in this early Mustang convertible!
