PRESENTS:

Lisbon Beach!

(Along State RT-37 Lisbon, NY)

Oh wow - it's September already and like a fireworks' grand finale' , the shows are coming in fast!

Welcome new people and many thanks to all the returning readers, and in this edition of High-Octane we highlight the September Show at Lisbon Beach along RT37 between Waddington, NY and Ogdensburg, NY.

If you've never been to Lisbon Beach, maybe it's time! The grounds are well kept and there's a Pavilion along with some trees and rolling landscape.

For water lovers, it's wonderful and the St. Lawrence River provides the glitter! From the water's edge, you can look across and see Canada, and watch the boats that are on the waterway.

This show: "6th Annual Cruisin' Down Memory Lane" will be well attended and the area will fill up fast! Due to the season and its location, it will attract a nice mix of rolling artwork from restorations to rat-rods!

The show vehicles aren't the only thing on. There's normally a couple vendors and a concession van or two.

A particular favorite setup by many is CrazyLegs PINSTRIPING! "CrazyLegs" is pinstriping legend Bob Weekes and his hand-painted creations are seen throughout many of the North Country Shows we go to - and even to many beyond! If you want to see a master of the trade at work be sure to visit this year's event! You may be inspired to have him work some magic on to your ride!!

If the sun is out and things heat-up you'll be glad to know that another perk you can experience is the beach itself! For those who need a little extra cooling, you can walk a short distance from the show area right on over to the beach and bobble in the water - how COOL is that!!

Wherever you are traveling from, Lisbon Beach is easy to access. Traveling east or west between Ogdensburg and Waddington, is where you'll find it but look for the sign at the entrance since the actual show is not visible from the highway.

Lisbon Beach Car Show is a great way to wrap up the Summer! See the calendar pages in this edition for more details and other fun events for September!

High-Octane's camera has previously covered this event and we will be there again this year (weather permitting!) so if you go, make sure your show vehicle is looking great! Be sure to follow CrazyJerry on facebook for post-event photos!

Drive Safe and Hope to See You at this year's show!!

-HIGH-OCTANE-

We are now into September and NYS will do what they do, so stay-tuned!

It's going to be a long winter so get some additional seat-time in while you can! The leaves are starting to change - you know what's coming!

Consider inviting a few of your friends on a drive to nowhere! Sometimes an unplanned trip can be the most fun!

I had the privilege of personally meeting:

"Pam Hirschhorn, Proud Site Manager and Gearhead"
at the 2015 Green Grand Prix.
Pam is seen in the photo below (red jacket) and was a passenger in the Kubota Turbo Diesel MG Midget that is parked alongside Centurion. Pam covered that event and so much more! You wanna talk cars - be ready - she's really, really, good, and a fantastic person too! Post your events on the calendar at NorthEastWheelsEvents.com
Love ya Pam!
