2023 Year In Review!!

2023 is over but it was a good season albeit a little on the rainy side!

Another very special thank you goes out to Hometown Cafe for hosting weekly cruise-ins from their Norwood location. They continue with their outstanding support along with the Hometown Cruisers at the 2023 Annual Hometown Cruisers Car, Truck, and Cycle Show on the Village Green in Norwood - another successful event! A big thank you also goes out to the local sponsors who donate to these events; yes we do take notice and you are much appreciated!!!

Also, many thanks to Chris Hutchins for organizing another great Annual Louisville Car Show that is well attended and brilliantly run!

We can't forget a big cheer to the Town of Brasher for their ever popular Annual Super Cruise-In!! It's a North Country gem that draws quite a gathering, and, on a Wednesday evening of all nights!

Keep an eye on Twinleaf Diner in Hogansburg as they have been once again gaining steam and attendance. Hopefully, this is a trend for the 2024 season.

And we never forget those who bring their hot, crazy, and wild rides for all of us to enjoy!! These events wouldn't exist without your participation, so "Thank you" for another wonderful year!

From High-Octane, it's been a pleasure to visit with all of you at these events, learn about your vehicles, and hear what's cooking on your projects list. Secretly, we know of more current builds that will hopefully debut in the 2024 season. Git'er done and Best of luck from all of us!

The remainder of this month's edition contains some highlights capturing memorable moments of the 2023 season by High-Octane's "All-Seeing-Eye Camera"! Enjoy the photos and we'll see you in March 2024 as we go into hiding for a build of our own!

Merry Christmas and Happy New Year!!

The above website and facebook page are continually updated with out-of-the-area show info, photos, and [exclusive youtube videos](#).

I had the privilege of personally meeting:

“[Pam Hirschhorn](#), Proud Site Manager and Gearhead”
at the 2015 Green Grand Prix.

Pam is seen in the photo below (red jacket) and was a passenger in the Kubota Turbo Diesel MG Midget that is parked alongside Centurion. Pam covered that event and so much more! You wanna talk cars - be ready - she's really, really, good, and a fantastic person too! Post your events on the calendar at NorthEastWheelsEvents.com

Love ya Pam!

Pam Will Get That Photo!!!!

-HIGH-OCTANE-

As we end 2023, I'd like to extend a big thank you to all who made this season one to remember!

Our Classic Auto Community is quite strong and continues to grow as more are attracted to it. The photos from all the shows and cruise-ins are those flashes in time and each one is very special.

In addition, we'd like to thank the many unnamed volunteers, fire departments, organizers, and sponsors who contribute so much of themselves and other resources to ensure these events are top-notch!

Closing out this message, please have a wonderful, safe and warm holiday season and let's do it again in 2024! Until then:

Enjoy the ride!
